COMMENTS FROM ICNIRP ON THIS DECLARATION OF PERSONAL INTERESTS:

As the income generated by Dr Hanifin's advisory activities represent only a small proportion of the person's funding, as Dr. Hanifin's research funding is to the institute rather than the person and represents only a small proportion of the institute's funding, and as the researchers are free to publish the results unhindered, ICNIRP does not consider that these represents a conflict of interest. Approved.
