## DECLARATION OF PERSONAL INTERESTS 2017

### INTELLECTUAL PROPERTY

Such as patents, trademarks, or copyrights (also include pending applications) and proprietary know-how in a substance, technology or process.

Property: None

Income:

Period:

### ADDITIONAL INFORMATION

When relevant, please provide details about the subject, the parties involved, the time-frame and any other relevant details.

To your knowledge, would the outcome of your activities within ICNIRP benefit or adversely affect interests of others with whom you have substantial common personal, financial or professional interests (such as your spouse or partner, adult children or siblings)?

No

Period:

Is there any other aspect of your background or present circumstances not addressed above that might be perceived as affecting your objectivity or independence?

My daughter studies computer science at the KTH Royal Institute of Technology. On the side, as "extra work", she has started to work on an hour-by-hour basis for Teracom. She is not employed by Teracom, but Teracom asks her to work when they have shortage of staff.

Teracom is 100% owned by the Swedish government. Teracom is responsible for the major broadcasting networks in Sweden, i.e. radio and television, and the secure communications used for example by the police, in Sweden called RAKEL, in the UK TETRA.

Period: fall 2017 - current

I hereby declare that the disclosed information is true and complete to the best of my knowledge. Should there be any change to the above information, I will promptly notify the ICNIRP Secretariat and complete a new declaration of interests which takes the changes into account.
