<p>Name and description of the activity: CHAMMA "magnetic fields and Alzheimer Disease" scientific project</p> <p>Name and status of the contractor: Réseau de Transport d'Electricité (RTE)</p> <p>Which unit receives and manages the research funding from the above activity? University/Unit/Laboratory/Personal Research Fund/Other:</p> <p>The entity that received the grants from industry is ADERA, a non-profit association for the management of research</p> <p>It is assumed that you are free of publishing whatever results your research shows without the influence from the entity funding your research. Is this explicitly stated within the contract?</p> <p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/></p>	<p>Income – amount and percentage of yearly laboratory/unit/personal income (specify) :</p> <p>Amount: 339 600 €</p> <p>Percentage of yearly unit : 2.35%</p> <p>Please describe how your independence is safeguarded:</p> <p>The entity that received the grants from industry is ADERA, a non-profit association for the management of research. The ADERA manages nearly 300 new contracts per year (477 in 2012), generating employment from 100 to 150 young scientists. CHAMMA is one over these 300 contracts. At the Bordeaux site, ADERA manages all financial resources for research coming from industry while the university, CNRS and EPHE manage the governmental resources for research. Therefore, ADERA is considered a firewall as efficient as the university administration.</p> <p>If, yes. Please specify the wording used in the contract:</p> <p>In the CHAMMA contract, it is mentioned that "Publication of results is an obligation. Researchers will be solely responsible for these publications but are obliged to inform RTE that publications are submitted".</p>
